Hi from Spirit Mountain,

We are excited for nordic race tomorrow, 12/12/23. Your athletes should have received a link to the needed waiver yesterday afternoon. We were able to verify who on your team, including the coaches, has completed the needed waiver. The list below is up to date to the time this email was sent. Please look through and contact those that have not completed this waiver.

The link to the waiver can be found

Thank you for your work in helping to complete this need.
